Notes
from the Director

Sue Kiley
Library Services Manager,
Hernando County Public Library

A Universe of Stories Awaits at Your Libraries This Summer!

Thanks to the Friends of the Library of Hernando County, FL, every summer we are able to provide entertaining and educational events and classes for children, teens, and tweens at all library locations throughout June and July. While we provide events for these age groups all year long, our calendar is jam-packed every summer to keep children learning and engaged while school is out. Attending summer library activities can lead to many important benefits for students, including:

- Helping to maintain an interest in reading and learning all summer so they don’t lose skills gained during the school year and fall into the “summer slide”.
- Special performances in the library can help draw in reluctant readers and get them excited about reading.
- Attending library programs with children over the summer is a great way to spend family time.
- Summer library programs often lead to a lifelong love of reading and learning and they encourage return trips to the library!

At your Hernando County Public Libraries, children can check out as many books as they can carry to keep them reading all summer! Every summer, your Hernando County Public Library System joins with other public libraries across the country in providing a calendar full of themed-summer events. This year’s theme is “A Universe of Stories.” Thanks to funding from the Friends of the Library of Hernando County, we will offer daily story times and crafts, gaming afternoons, LEGO afternoons, a Star Wars Party, a Cosplay showcase, and some very special performances too.

Our Friends of the Library members are dedicated to sustaining quality youth library programming throughout the year in Hernando County. In fact, we fund our entire Youth Services budget through grants and funding from our Friends. Want to become a Friend of the Library? See any library staff member or our library website.

Of course, we offer more than summer events for children. We have plenty of activities planned for the adults in the family too. We welcome everyone to join us this summer. Get out of the Florida heat and visit your Hernando Public Libraries this summer.

Volunteer Spotlight: Grace St.Pierre

Grace St.Pierre is a homeschooled high school student who lives in Brooksville. She finishes her school work early each day, which leaves time for her to explore many interests, including cooking, writing, singing, drawing, sports & fitness, gardening and studying the world of aerospace. She is the oldest of four girls, and they work together to care for a variety of farm animals and plants on their homestead.

Ever since she was old enough to read, Grace has adored books, which opened doors to new worlds of information and fantastic stories, so she loves supporting Hernando County Public Library by helping out regularly with their ARTeration program. In addition to volunteering with the library, Grace is also an active member of Civil Air Patrol, a military-style cadet program by which she has already piloted an airplane and a glider. Upon graduation from high school, Grace hopes to attend the Air Force Academy and become a pilot in the United States Air Force.

Become a Friend, Make a Difference
HCPL Friends of the Library are constantly working with the Hernando County Public Library System to keep it’s libraries strong and vital to our community.

We hope that you will choose to become involved in the continued success of our libraries by becoming a member.

This past year, the Friends supported the Library in many ways:

Sponsored:
• Children’s Summer Reading Program (FLYP)
• Movie Programs
• Live Jazz Concerts
• Live Folk Music Concert
• Warren Caterson Cooking Program
• Edible Book Event

Provided:
• Refreshments for movie programs

As a Friend, you also receive special discounts on books and other materials at the Little Red Schoolhouse Bookstore or at our Book Nooks, located at our East Branch and Main Library/Brooksville.

JOIN THE FRIENDS TODAY - call 352.684.0660 for more information

For information on:
